

*Our goal is to help our elderly residents remain safely and independently at home in the community*

## **A letter to the Litchfield Hills Chore Service Employees and to all people associated with and benefited by the LHCS organization.**

It is with great sadness that I share the news of the unexpected passing of our Chore Coordinator, Sally Irwin. For decades, Sally has served the people of Goshen, Litchfield, Morris, Roxbury, Warren and Washington, not just as our coordinator but as a friendly voice to help guide those most in need. She was committed to helping her neighbors stay in their homes as long as they could and live a life with dignity and independence.

The CHORE Board of Directors met this morning and reaffirmed our commitment to this important organization. Until a new coordinator is hired, members of our Board of Directors have stepped forward to fill the gap left by Sally's passing.

If you need assistance or have questions, the interim acting Coordinator will be Michael Lyn Cappello. Michael Lyn is the Social Services Coordinator for the town of Litchfield. She is familiar with the organization and she will be working with other board members to insure a seamless transition.

LHCS is also seeking to fill CHORE worker positions in all the towns we represent.

All inquiries and information can be forwarded to:
