

Warren & Washington Food Pantry

August 2021

Who We Are & Who We Serve: The pantry is funded and maintained almost entirely through donations from residents of our towns. Volunteers keep the shelves clean, stocked, organized and are here every week to distribute food and smiles. The Warren & Washington Food Pantry is open to ALL residents of Warren, Washington and New Preston. There is no income or asset check to receive items from the pantry and we love to welcome new faces! The pantry is here for you as it is here for your neighbor, whether you would like to visit the pantry once a year or every week, we aim to ensure not a single resident of our community experiences food insecurity. The pantry has shelf stable, frozen and refrigerated goods as well as fresh local produce and eggs. Please visit us!

Donations: We accept both food and monetary donations for the pantry. Monetary donations can be made by check out to the Town of Warren or the Town of Washington with Warren & Washington Food Pantry in the memo line. Food donations can be dropped off at the pantry during open hours or to the Warren Town Hall.

Please note, we cannot accept donations that are opened, damaged, or expired.
